Tribute from Carol Wagner Beadman

Relation: Sister-in-law

It is with great sadness that you have moved on, but to bigger and better adventures. I am grateful to have seen you several times on Face Time in the past few months.

I sent my love and deepest condolences to my sister, Joan, as well as his children and their families.

Tribute from Lonnie and Norm Facchina

Relation: Friend

We loved meeting for coffee every Monday, Wednesday and Friday at 2 in the mall with Neal and Joan and a large group of wonderful people (until March, due to the pandemic). It won't be the same when we are able to start up again. Neal was funny, fun, smart and interesting to chat with and he and Joan obviously adored each other. Norm and I are really going to miss him and send heartfelt hugs to his family. RIP Neal...

A family friend. Millie Harper

Tribute from Natalie Petersen

Relation: I knew him from KFC, Java Garden and knowing him from living in Nelson.

My condolences to Joan, Shannon, and Trevor. Also to Christopher, Brandon, and Breanna. I would always see Joan and Neal when they were having coffee down at Java Garden. It was always nice to see them. I also remember Neal from the days of KFC. A very nice couple. May Joan and the rest of her family be comforted by their memories.
