Tribute from Lynda Iwanik

Relation: Family friend

Condolences to Pat's family and friends. I worked with Pat 1976 and was her substitute in the telecommunications radio department as an operator for DOH. She was a wonderful person and musician. Take care.

Tribute from Daniel Hernandez

Relation: Grandson

You will always be a part of our family Pat! I am glad that you are in a better place now with grandpa.

Tribute from Christine McCandlish

Relation: former co-worker

Condolences to all the families. Pat was a very capable woman.

Tribute from Melody Fraser

Relation: Family

I met Pat only once at a family reunion, and spoke a few times afterward. Through all these years I never forgot her, her smile was so warm, she was kind and excepting of a person she had never met before. I am the granddaughter of Jessie Fraser...quite the surprise to everyone I believe. Pat will be very much missed but I am happy she is in a better place smiling down on us all!

Tribute from Dorothy Fraser

Relation: My husband, Alistair B. Fraser, is a cousin.

Alistair and Dorothy and family send our condolences to Pat's family. Pat's passing will keep memories of her alive with her sense of humour, getting to know her husband, Gordon, listening to her music-making on the accordion, getting to know her brother and his family, and especially meeting Tracy.
