Relation: Family friends

So very hard to lose someone you love and cherish. As a little girl I thought your Mom was so beautiful and she made root beer too. Our families were close. I never liked that you moved away.

Sending love to you all.

Relation: Phoebe was my next door neighbor for over 20yrs.

Sending my deepest sympathies to Phoebe's family for their loss. And, honoring the passing of a much loved woman. Phoebe was a beacon of life, hope, and celebration to those who had the pleasure of knowing her. As her next door neighbor for many years, I shared many a glass of homemade red wine, stories, memories, wisdom, laughter, and inspiration, with a special woman. Phoebe, you will be remembered always. Much Love, Jeani

Relation: Daughter!

It's so hard to believe it's been over two months since you left us Momma.... I miss you so much each and everyday. I will remember that day October 11, 2020 for the rest of my life. It's so difficult losing a Mother and such pain and heartache it brings. But I know now you are in a beautiful place with your Momma, Dad and Gammie. Don't worry about Dad, we are all taking care of him, but he misses you so much! I love you Momma... forever and always....
