Tribute from Sonya Martineau

Relation: On a professional level, through work in the legal community

My condolences to Greg's family. I will always remember him as a regular staple on Baker Street, deeply engrossed in a book, but often taking the time to glance up and gesture a nod in hello. I was lucky to have the opportunity to interact with him on a professional level and always appreciated his words of wisdom and ability to assist in mediation. His dedication to his community and his profession will leave a lasting mark in the community.
