Tribute from Shauna Eggers

Relation: Good friend

I couldn't of said it better myself! Rolf was a realist..said it like it is...and we loved him! He was always helpful, sharing and didn't care what people thought..didn't put on airs and just had a wonderful essence which everyone loved and wanted to be around. When one met him..that was all it took..you were family..that is what I remember most... no matter what time it was day or night you could show up at the Hansen's and be yourself and he welcomed you..and fed you! Truly one in a million! My Love to Pat,Catherine,Susan, Dennis & Doug & families during this difficult time. He will be missed and remembered with Love! Shauna & Eric Eggers & family

Tribute from Monica Lamb-Yorski

Relation: Bakery brat/family friend

What a great tribute to a unique character. In fact, when were neighbours on Nelson Avenue in the 1960s, my little brother Stephen thought motorcycles and men driving them were all called Ralphs. A gang of bikers went by one afternoon and Stephen yelled out "look at all the Ralphs." Gone but never forgotten. Love to you all.

Tribute from Lynda (Whyte) Nowoselski

Relation: Susan's Friend

My deepest condolences go out to the Family, especially you Suan. Just remeber the days that we would go to Hood's Bakery in Nelson after school to visit your dad. Fond memories are the best to keep a hold of. Praying for you and your family that all would have peace. Regards, Lynda
