

REMEMBERING
Sherry Crowe

October 14, 1965 - June 10, 2019

It is with deep sadness that we announce the passing of Sherry. She lived her life with many challenges but through it all she showed strength and love and touched the hearts of all who knew her. It was a gift to have her in our lives.

Sherry was predeceased by her parents Eugene and Rheta Crowe and is survived by sister Lynn and family and brother Gary and family.

She also had some very special people in her life; Rae Carveth / Karen Davies and family and Barry Gray / Ursula Heller and family. The support and love that you gave to Sherry over the years made her life rich and full. Thank you from the bottom of our hearts.

And special thanks to Dr. Lee MacKay for always being there.
