Relation: A friend

I am very sad to learn of Shirley's passing. I knew Shirley for the last several years. She always had a smile on her face, no matter what she was going through within the last year. She loved her Jack Russel Terrier "Mikey" dearly. Shirley was such a kind, caring person and I will miss her alot.

**Tribute from Keleegh Sinclair**

Relation: Friend

Shirley gave so much to the community; volunteer at the hospital for people in need of wheelchairs, etc., volunteered many hours with the Hospital Auxiliary , cooked meals at the Senior Citizens Hall for seniors functions, so I chose her for Citizen of the Year in 2010, although she wasn't chosen I believe she was well deserving of the recognition. Shirley's place in the community will be difficult to fill.

Relation: Family

To Tracy and family, please accept my condolences. Losing a loved one is tragic especially a gracious and loving mother like Shirley. I was glad to have known her, she was a lovely woman. Wishing peace and comfort during this difficult time.

Relation: Worked at PS drugs together

Tracy -I was shocked and sad to read in the Star today about your mother's passing. I enjoy pleasant memories of working with her at Pharmasave and I can still see her cleaning and tidying around the cosmetics department. We had not seen each other for many years but did meet by chance at the optometrist about 3 years ago and had a good chat. My thoughts are with you and your family at this time.
