Tribute from thompsonfs

What a beautifully written tribute to a brave, multi-talented, kind, and humorous man. It brought tears to my eyes. When I think of Steve I remember most the time I spent with him as his teacher in grade 9. He was so dedicated to his sports and to his studies. His dedication was built on a solid basis of goal setting. He was a very mature 15 year old who inspired many of his classmates, and me as well, to seize life and believe in yourself. My heart goes out to his family.
