Relation: Family

Jim, we are so sorry for your loss. Sue was an amazing person with a huge personality and a sense of humor that was unmatched. We will cherish the memories we have with her and will always be grateful she was able to meet and love our boys. She leaves behind a missing piece in our family, she will be greatly missed and always remembered. We hope you find comfort in her peace, your family and the years you had together. Love Jay, Randi and the boys.

Tribute from Jessie Renzie

Relation: Friend

I first met Sue years ago when she was admitted to the hospital. She was such a bright and friendly gal. Every year while she was able she sent me a beautiful, often homemade, Christmas card. I will miss receiving her card this year. Please accept my condolences. Sue was a lovely soul.

Tribute from Stacy McCarty

Relation: Health care

So sorry for Susan and her loved ones' loss. Sue was kind and strong through the struggles MS presented, and Jim was there every step of the way. I know collectively their favourite dog was a Golden Retriever, and I am reminded somehow by this dog of the light heartedness, loyalty and love Sue and Jim shared. In memory of you, I am reminded to be kind and patient.

Tribute from Kate

Sue was a real gem. I learned so much about being a caregiver from her and was always so happy to see her on my home support schedule. What a quick wit and lovely sense of humour she had.
