Tribute from Hume Curiston

Relation: Long time friend of the family

It is easy to bring up a smile just talking to Tex. Any time even in a brief moment Tex would just look at you and give this so natural smile it would be impossible not to return one to him. There are so many of us that have been blessed to have a long lasting relationship with the whole Mowatt family. Distance makes it impossible to offer my condolences in person. So here's to the future when we can celebrate Tex's life together.

Tribute from Stewart Enderton

Relation: friend

Hello Edith. I was shocked and very sad to learn that Tex has left us. I always enjoyed him and really enjoyed working with him when he was Mayor and I was City Solicitor
When one looks back and sees what he did for the city it is astounding. He certainly had vision and carried it out.
My condolences to you and your family. Kindest regards, Stewart

Tribute from John Stanger

Relation: old friend

Hello Edith,

I was shocked and saddened by the news of your loss. It was not long ago that daughter Susan and I visited Tex on the farm. We were business neighbours on Baker Street and as fellow members of the Chamber of Commerce, worked together on City projects. We reminisced about the day we rode trail bikes, courtesy of Markin Equipment, up a logging road in search of a new ski hill. We rounded a corner and entered a spectacular double bowled valley.. The search was over and the effort to develop Whitewater followed. Tex was a good man and a great Nelsonite, he will be missed.

On behalf of the Stanger family I offer our condolences to you and the Mowatt family.
