Walter Wishlow

December 28-1944 - November 6-2018

On November 6, after a long illness, we lost Walter. A dad, Deda, husband, uncle and friend to so many, Walter left this world on his own terms, with his closest and dearest at his bedside. He was courageous, and he left a brilliant legacy of love, laughter and unforgettable stories. Walter was open minded, supportive, and devoted to his family. He had a great sense of humor right till the moment when he finally said goodbye, we are so honored that he was a part of our world. Now he is dancing, fishing, and laughing in the stars. We are going to miss him so much. He is survived by his wife Mable of 52 years, his twin sons Wesley and Jason, and 4 grandchildren.

A celebration of his life will be held when the flowers are blooming and the grass is green.
