My deepest condolences. My memories of your dad, mom, and all of you are ones of fun, laughter and love. I felt welcome in the family home and I always felt treated like an honorary Kardos kid. Strong, steady and kind. These are words to describe Bill. My best to you all.

Tribute from Dana Atagi

Relation: I worked with Bill at CPR, a long time ago!

Bill and my Dad (Yute) worked together at CP Rail. They were career B&B men. Bill took me under his wing when I was a summer student back in the mid-1980s working on his B&B gang. He was a kind and gentle man who kept me out of trouble and made sure I got to work on time. I have nothing but fond memories of those summer jobs with your Dad. Dana
