Bill was a wonderful person, I worked with him at Palm Dairy, for 12 years, and it was great. I was also a family friend to Bill and Ann and family, visiting their home in Blewett, and enjoying their whole family. I will miss Bill. Sending my thoughts and prayers to all the family. Millie

Dear Hummelinks:

So sorry to hear of your dear Dad's passing. Yes, the milkman...always remembered him in his strapping uniform and always such a nice smile on his face. May he rest in peace.

Tribute from Sandra Seminoff

I have known Bill since I was a kid growing up in South Nelson, as so many were, he was our "milkman". My condolences to the family.

To Bill's family

I am so sorry for your loss. What a legacy Bill leaves.

It was a privilege to know and work with Bill. He was the morning shipper at Palm Dairies when I started working there as the afternoon shipper in 1977. Bill taught me the job by example, and what an example it was. He was certainly hard working, but so much more than that. He was encouraging, compassionate and non-judgmental. Someone you wanted to emulate.

There were numerous occasions during our busy season that Bill would work his morning shift, head home to work on his hobby farm and then return in the evening to make sure that I was okay. He would often stay and help me on his own time. Amazing!

It was always a treat to run into Bill uptown and later at Lakeview Village where we would often sit and chat for a bit.

He will be missed.
